“Zainani has more than 30 years of experience in the public service, having joined the civil service in 1994 as an accountant with the Micro Accounting System Task Force, AGD.

“Throughout his career, he has served in various departments and ministries, including the Malaysian Examinations Board, the Ministry of Works (KKR), the Ministry of Home Affairs (KDN), the Ministry of Foreign Affairs (KLN), and the Ministry of Housing and Local Government (KPKT),” the statement said.

Zainani also played an important role in introducing the digitalisation of accounting systems in Malaysian embassies abroad, which were previously managed manually.

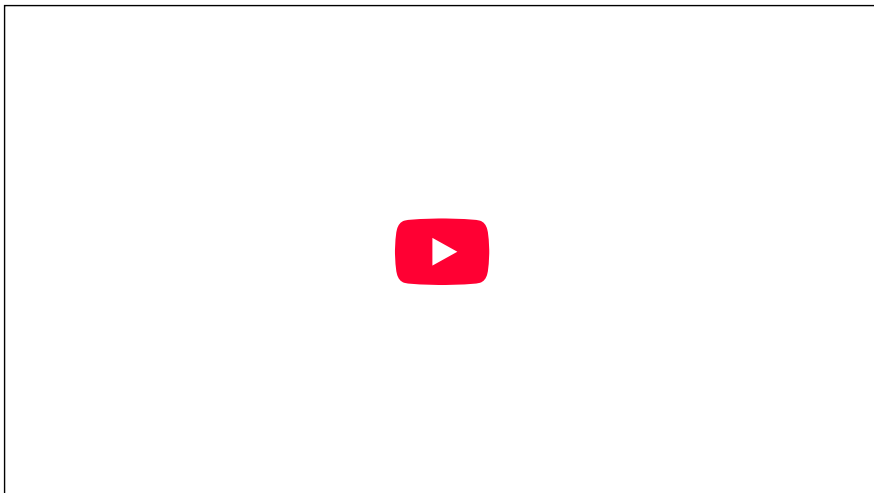

AGD stated that this major change enabled the financial management of all Malaysian embassies to be handled more efficiently, accurately, and promptly.

Before assuming the role of Deputy Accountant General (Corporate) in September 2023, he headed the AGD Consultancy Services Division and the Ministry of Finance Accounts Division from 2019 to 2023.

In recognition of his service and contributions, Zainani was conferred the state award Bentara Setia Mahkota in conjunction with the birthday of the Sultan of Kelantan, Sultan Muhammad V, in 2015.

“AGD would like to extend its deepest appreciation and thanks to the government for the trust placed in Zainani Jusoh to shoulder the duties and responsibilities as the Accountant General of Malaysia beginning Sept 3, 2025,” the statement said.
